## A Note From The Director

This past year has been filled with lots of unknowns. Yet I have never felt more grateful for the flexibility, kindness, and gratitude you have shared with me and the instructors. Thank you for giving us the opportunity to perform for you today. I believe I can speak for the dancers and say:

These are not just dance students...  
they are stars!

This is not just a family gathering...  
it is healing!

We are not just a dance studio...  
we are a heart!

A heart beating with hallway laughter, in a messy bun, in a perfectly timed pirouette, in a "let's take it from the top" teacher smile!

Love and (future) Hugs...Ms Jenny Hiltbrand
